FAQs are submitted to the NRP Education Subcommittee by NRP Instructors, the CPS or NRP Steering Committee members. They are reviewed by the Education Subcommittee, and modified or withdrawn based on new information or redundancy. The FAQ is then circulated to the NRP Steering Committee, and reviewed by the Executive for approval before being posted.

Palliative care is an interdisciplinary approach to specialized medical and nursing care for people with life-limiting illnesses. It focuses on providing relief from the symptoms, pain, physical stress, and mental stress at any stage of illness. The goal is to improve quality of life for both the person and their family. Evidence as of 2016 supports palliative care's efficacy in the improvement ...

Introduction. Childhood cancer mortality rates were higher 50 years ago, but can now fortunately be successfully treated in approximately 80% of cases where there is access to modern treatments and robust, supportive care. 1 However, only 10% of the world's children live in high-income countries (HICs) where effective care is broadly accessible.2, 3 Over the past decade, the widening divide in ...
