

Apa Source Documentation

Apa Source Documentation

The Reference List. A reference list has all the sources mentioned in your paper, arranged in alphabetical order by the authors' last names or, if a source doesn't list an author, by the first word of the title (ignore a, an, and the). If you have a type of source not covered in the examples below, ask the faculty librarian to show you the Publication Manual of the American Psychological ...

Citing Styles - APA Documentation

APA style prefers a reference to the print form of a source, even if it is available on the Net. If you have read only the electronic form of an article's print version, add "Electronic version" in brackets after the title of the article. If an on-line article has been changed from the print version or has additional information, follow the same general format for the author, date, and ...
