My son is 3 and he does all but 10 or so of the items above. I know all children are different and develop at a different rate, but if you spend time with your child every day, read them a story, play with them, and expose them to different environments, they inevitably pick things up.

Kindergarten Readiness: 71 Things Your Child Needs to Know

I wanted to write a post for those of you who are barely making it, and are so dreading the return to school the following morning that you can't even enjoy your evenings off. The idea of going back to that place just makes you sick to your stomach. I get it. I have been in your shoes.

Why I quit my teaching job mid-year (no, it wasn't the ...

One of the issues that many people struggle with is recognising when they're being used, which is when a person avails themselves of something or someone as a means of accomplishing their chief aim. They exploit what they perceive as a vulnerability in order to gain an advantage. While there are instances when it's quite [...]
