A dietitian (or dietician) is an expert in dietetics; that is, human nutrition and the regulation of diet. A dietitian alters their patient's nutrition based upon their medical condition and individual needs. Dietitians are regulated healthcare professionals licensed to assess, diagnose, and treat nutritional problems.

Between what you hear on TV and read in the news, eating right can seem like a real challenge. But it doesn't have to be. A registered dietitian, or RD, or registered dietitian nutritionist, or RDN, will partner with you to develop a safe and realistic eating plan that you can stick with for the long haul.
