In my article ISO 9001 Myth #2 - "Say What You Do & Do What You Say" I touch on the subject of considering business processes versus procedures. As I expected, this has generated some criticism from ISO 9001 traditionalists.. While my main purpose was to debunk the "say what you do, do what you say" catchphrase, I also attempted to address some other distractions that companies ...

Documented information. The new ISO 9001 2015 standard has also eliminated the long standing distinction between documents and records. Now they are both referred to as "documented information". Why ISO chose to abandon two common sense concepts and replace them with one that is needlessly awkward and esoteric is not entirely clear.
