### **Embedded Systems Rajkamal Second Edition**

The navel has been historically subject to many customs, fashions and taboos. Various cultures view the sexual and cultural significance of the navel differently, and these views have changed over time, which has shaped social mores relating to the navel in design of clothing and social traditions and practices.

### **Cultural views on the navel - Wikipedia**

Hindus (pronunciation (help · info)) are persons who regard themselves as culturally, ethnically, or religiously adhering to aspects of Hinduism. Historically, the term has also been used as a geographical, cultural, and later religious identifier for people living in the Hind (Indian subcontinent). However, the term was popularized by the Colonial British government after the 1871 census of ...
