Aviation Finance Special Report: Ireland: International Aviation Finance Hub. Our Special Report examines one of the most interesting jurisdictions in the world as a centre of aircraft financing - the Republic of Ireland. Its significance lies in its scale in the global financing of aviation, second only to the United States in aircraft leasing and trading activity.

Financial economics is the branch of economics characterized by a "concentration on monetary activities", in which "money of one type or another is likely to appear on both sides of a trade". Its concern is thus the interrelation of financial variables, such as prices, interest rates and shares, as opposed to those concerning the real economy. It has two main areas of focus: asset pricing and ...
