Global Politics Andrew Heywood Chapter

Find detailed information and updates for the second edition of Global Politics by Andrew Heywood

Global Politics 2nd edition by Andrew Heywood | Chapter Notes

Global politics is an ever-shifting field, with, if anything, the pace of change accelerating over time. Debates have emerged about the changing nature of power and the shifting configuration of global power, about whether national security has been displaced by international, global or even human security, and about the extent to which justice ...
