The HASC Security and Safety Committee held a drill at LAC + USC Medical Center in March 2013 that included front line hospital administrative and clinical staff as well as law enforcement and first responder agencies.

Active Shooter Drill Resources - Hospital Association of ...

A co-worker and I were working on a classified document, but we needed to declassify it. In the interest of time, I witnessed my co-worker remove the classified paragraph markings, the header and footer that had the overall classification marking, and some descriptive words in the document he thought made it classified.

Initial Security Orientation Flashcards | Quizlet

Welcome to The Joint Commission's Workplace Violence Prevention Resources for Health Care portal. The purpose of this portal is to share informative and useful resources with the field regarding preventing workplace violence in healthcare settings.

Workplace Violence Prevention Resources for Health Care ...

Workplace safety is a critical issue in health care. The National Institute for Occupational Safety and Health defines workplace violence as "violent acts (including physical assaults and threats of assaults) directed towards persons at work or on duty." 1 This Viewpoint discusses the scope and characteristics of workplace violence in health care settings, relevant government regulations ...
