

Interqual Guidelines 2014

Interqual Guidelines 2014

Is their anyway I can get this training as an individual or do I have to work for a company that offers training for these criteria. I do have case management and UM experience now but I feel like I am missing out on a lot of opportunities and will not be able to advance or move on to another company because I do not have experience with Milliman and Interqual criteria.

Interqual and/or Milliman training for individuals - Case ...

Utilization Management (UM) is the use of techniques that allow purchasers to manage the cost of health care benefits by assessing its appropriateness before it is provided using evidence-based criteria or guidelines. Critics have argued if cost cutting by insurers is the focus of their use of UM criteria, it could lead to overzealous denial of care as well as retrospective denial of payment ...

Utilization management - Wikipedia

Learn more about utilization management here. Our utilization management (UM) decisions are based on the appropriateness of care and service needed, as well as the member's coverage according to his or her health plan.
