Finding Community: Social Media for Families of Children with Disabilities. Disability is a culture of identity to which parents aren't given a handbook, and families of children with disabilities often experience significant stress and feelings of isolation.

### **CanChild**

The 21st century is witnessing a sea change in our thinking about 'disability'. Nowhere are these developments more apparent than in the field of childhood disability, where traditional biomedical concepts are being incorporated into – but expanded considerably by – new ways of formulating ideas about children, child development, social-ecological forces in the lives of children with ...
