Wherever there is a belief in the continued existence of human personality through and after death, religion naturally concerns itself with the relations between the living and the dead. And where the idea of a future judgment or a resurrection of the dead or of purgatory exists, prayers are often offered on behalf of the dead to God.

Prayer for the dead - Wikipedia

Diabetes Research and Clinical Practice is an international journal for health-care providers and

clinically oriented researchers that publishes high-quality original research articles and expert reviews in diabetes and related areas. The role of the journal is to provide a venue for dissemination of knowledge and discussion of topics related to diabetes clinical research and patient care.
