Sit down and take a hard look at your finances, with your partner if you have one. Tally up all your current expenses (rent, food, gas, etc.) as well as any specific costs for nursing school, like tuition, textbooks, scrubs, nursing shoes. See if there's anything you can reasonably trim, and figure out the absolute minimum income you need to bring in to cover all your expenses.

Taking a certification test like the RMA, CMA, NNAAP, or Medical Terminology? Practice test questions for medical terminology.

### **Medical Terminology Practice Test Questions**

Phonological processes are patterns of sound errors that typically developing children use to simplify speech as they are learning to talk. A phonological disorder occurs when phonological processes persist beyond the age when most typically developing children have stopped using them or when the processes used are much different than what would be expected.
