Your proposal — the document that details what you propose to do for a client — is an important marketing tool, but may not be as intimidating as you imagine.. Its objective is to outline your approach and your strategy, plus provide details about your background and experience that's relevant to the project. But most proposals are too long and filled with too much generic material ...

CRM Software RFP Templates

I had a great team supporting this effort, and I'm proud of the proposal we put together. CMS received 3,000 applications and funded 107. I played the horses a bit in my graduate school days, and though I was studying English literature not math, I knew that 30 to 1 was the longest of longshots. For more details on the project, a nice combination of high-tech and high touch to improve ...
